

Innovation Zone Strefa innowacji

26-30 JUNE 2022
KATOWICE

**WORLD
URBAN
FORUM**
ELEVENTH SESSION

Host: City of Katowice

Location: Rawa.Ink Municipal Business Incubator, 17A

Teatralna St.

SDGs:

Monday (27 June):

12:30am.–2:00pm. The Global Observatory of Proximities - Launch Event [ENG] 

4:30am.–6:00pm. Showcase of Innovative Startups Powered by Rawa.Ink [ENG+S] 

Thursday (30 June):

11:00am.–2:00pm. Drones in the City – Drone acceptance in the city - workshops

Host: Metropolis GZM (registration required) [PL->ENG] 

The workshops discuss the subject of drones in urban space and above all what opportunities for residents are offered by their presence and the threats they create. The workshops are open. They include interactions for the purpose of obtaining opinions, as well as discussion in workshop groups based on the project knowledge provided as part of the HARMONY (Horizon 2020) project, presentations and film materials.
